RE: Dr. Charles Richburg Reference

Dear Potential Employer,

I'm writing to enthusiastically recommend Dr. Charles Richburg for a teaching/administrative position within your academic program. Dr. Richburg taught COMM 109 (Speech Communication) for several semesters here at Westchester Community College and all who came in contact with him were continually impressed with his teaching ability, student involvement, attention to detail, and overall professionalism. We are sorry that he is leaving our area and no longer able to adjunct for us, but are certain our loss will be another academic institution's considerable gain. If you should like to discuss Dr. Richburg further, please don't hesitate to contact me directly.

Thank you for your attention,

Eric Luther
